

Discipleship Group: Try it out!

In our Discipleship group, we look at the basic claims of the Christian Faith and look at Biblical passages around those claims together. The material equips us to find answers about our Faith directly from the Bible.

We are meeting each Sunday, 1:30pm. We are encouraging everyone to give this group a try one time and see whether it's the right fit for you.

Just Friends

Below are some questions that could help us all reflect on today's sermon and to go deeper with God during our quiet time this week.

Ephesians 5:3 But fornication, and all uncleanness, or covetousness, let it not be once named among you, as becomes saints;

- Am I aware of differences between men and women? Or am I treating men and women more or less the same?
- Did I ever send out misleading romantic signals? Did I ever misinterpret such signals from someone else? What was the outcome of such misunderstandings? What could I have done differently to avoid these misunderstandings?
- Does my lifestyle in friendships with the other gender set a good example to others? Does it reflect God's holiness? Or am I more or less doing what everybody else is doing?
- Am I aware of the need to „keep Emotional Boundaries“ in my relationships with people of the other gender? Or do I consider emotional affairs as „harmless“ and not important? Does my attitude come from the Bible or from society?
- Could someone accuse me of „unbiblical behavior“ when it comes to cross-gender relationships? Would I have proof or witnesses to show that „nothing happened“?
- What changes does God want me to make in my cross-gender relationships in order to bring more glory to Him with my lifestyle?
