SHARING LIFE**

Prepare/Enrich available

Pastor Bernd and his wife Ryoko are licensed to run Prepare/Enrich. We are offering this program for any married couple or two people who are seriously thinking about marriage.

This program is also a great way to reach out to your community, since the program can be run without including religious topics. Contact us for details.

Library

AIC is now offering a small library. You can borrow books any Sunday, if you are interested in any of the books. Also, if you don't have a Bible, please take one home and keep it for free.

Dinner/Fellowship after the next service

Keep your evening free after the next service on September 23rd. We'll have a time of dinner and fellowship that night. Details to come.

Parenting: Discipline

Below are some questions that could help us all reflect on today's sermon and to go deeper with God during our quiet time this week.

Proverbs 22:15 Foolishness is bound in the heart of a child; but the rod of correction shall drive it far from him.

For everyone

- How do I generally react when I see another person suffer in the consequences of his/her own decisions. Do I try to rescue them? Is it helping?
- Is there a person in my life that controls me with his/her bad behavior? What can I do to not allow this person to control me any longer?

For parents (We encourage you to discuss these questions with your spouse)

- Do we fully acknowledge that „our children are not ours, but God's“? Does our parenting style confirm that?
- Do we parent our children according to what is best for them? Or do we primarily make decisions according to what is best/most convenient for us?
- Do we use our different approaches in parenting to balance each other out? Or do our differences lead to fights among ourselves? How can we improve?
- Do we allow our children to feel the negative consequences of their actions? Or do we try to protect them from the consequences? Do we want to make some adjustments in this area?
- Do we prepare our children for their adulthood by teaching them to make right choices? Or do we simply force our way on them?
- Do we have a long term goal for our children? Are we working towards that goal with our daily decisions?
