Prepare/Enrich available

Pastor Bernd and his wife Ryoko are licensed to run Prepare/Enrich. We are offering this program for any married couple or two people who are seriously thinking about marriage.

This program is also a great way to reach out to your community, since the program can be run without including religious topics. Contact us for details.

Library

AIC is now offering a small library. You can borrow books any Sunday, if you are interested in any of the books. Also, if you don't have a Bible, please take one home and keep it for free.

Dinner/Fellowship tonight

We hope you can join us tonight for a time of dinner and fellowship after the service.

Annual Vision Partner Meeting

Raising the next generation

Below are some questions that could help us all reflect on today's sermon and to go deeper with God during our quiet time this week.

Psalms 145:4 One generation shall praise your works to another, and shall declare your mighty acts.

For Everyone

- Are there any needs that were not met in my childhood? Are there any „holes in my heart“ I still carry around from that time? Do I want to ask Jesus to fill those holes?
- Did my parents teach me to make good choices, or force me to follow their commandment? How does that parenting style affect me today?

For Parents

- Is prayer with and for our children part of our lifestyle?
- Does the way we spend our time reflect the priorities given in the Bible? Do we want to make some changes in this area?
- Are we spending enough time with each other to really know what's going on in our children's lives?
- Do our children feel loved by us? Do they feel accepted? Do they seem to lack something? Do we want to ask them whether they feel a lack in their lives?
- Are we setting a good example to our children with our lifestyle? Do our actions confirm what we teach them with our words?
- Do we train our children to make good choices? Or are we simply using our authority and strength to force our way on them?
