## *Seeking God first*

Below are some questions that could help us all reflect on today's sermon and to go deeper with God during our quiet time this week.

- If I'm completely honest to myself: What do I put my trust in? Do I put my trust in material things? (Money, job, possessions,...) Or do I truly put my trust in God's provisions? What do I do in everyday's life that confirms my answer?
- Do I serve money? Or do I use money to serve me? If I imagine God telling me to give away my money, give up my job and simply follow Him, trust that He will provide: How do I feel?
- What do I focus more on in everyday's life? Pleasing God today? Or providing for myself for the future?
- Do I truly seek God in everyday's life? Do I spend time and effort in seeking God?
- Is repentance part of my everyday's life?
- What change would I like to make in my life in response to today's message?
