Next steps with our new place

As discussed, we would like to turn our new place into a 2nd home for everyone attending Aletheia. We want to use this place so that we spend time with each other and strengthen our community relationships.

With this goal in mind, we would like to ask everyone to think about how we can use the different rooms we have, what we could purchase, how we want to arrange the rooms, etc.

We will then get together in January, discuss our different ideas and decide together. (Tentatively on January 10th, during our regular small group meeting)

- What was my personal highlight of 2019? What was my personal low-point of 2019? Have I been able to give thanks to God for both?
- Would I generally describe myself as a thankful person? Or would „grumbler“ or „complainer“ describe me better?
- What unbelief does my grumbling point to?
- Where do worries and bitterness hinder me from „giving thanks“?
- Is there an area in y life where it simply seems impossible for me to „give thanks“? Does God want me to seek some help from other people in this area?
- How does God want me to change my perspective on things that happened in 2019?
