Aletheia Identity: How do we succeed?

Luke 19:10 For the Son of man came to seek and to save that which was lost.

Below are some questions that can help us all go deeper with God during our quiet time this week

- What is my understanding of „what a church is supposed to do“? Is it from culture or from the Bible?
- Do I think that Aletheia is fulfilling the Biblical commandments of „what a church does“? Why or why not? Does God want me to talk with the leadership about my thoughts on this question?
- Do I feel that Aletheia is currently using the three anchors well to make decisions? Do I want to bring up my thoughts to the leadership?
- What is my current contribution to the church's anchor to „reach as many people as possible“?
- What is my current contribution to the church's anchor to „teaching those who are willing to listen“?
- What is my current contribution to the church's anchor to „build Christ-centered community“?
- Has God been speaking to me today to take a more proactive approach to contribute to the church's anchors? How?
