Schedule and Corona Virus

Due to the current situation with the Corona Virus and the government regulations, we have decided to not hold official meetings for the moment. However, we will not stop being the church. Therefore, we will continue the following activities:

- *We will continue give sermons and make them available online each Sunday. We are also considering offering sermons more frequently, to help us stay connected.*
- *We are looking for ways to connect with each other online and share our thoughts on the last sermon like what we usually do in our small group on Fridays.*
- *We want to encourage everyone to reach out to each other during this special time. We need to each other the most in times like this. And just because we are not allowed to meet doesn't mean we have to stop being the church. So we want to encourage everyone to reach out to each other, either online or meet in person, one on one.*

Tell us your story

We're opening up our Sunday Services for personal stories (Testimonies, Prayer Requests, Stories about our lives,...) Please let Bernd know if there is anything you would like to share with the rest of us.

Prayer & Worship

1 Corinthians 10:31 Whether therefore you eat, or drink, or whatsoever you do, do all to the glory of God.

Below are some questions that can help us all go deeper with God during our quiet time this week

- Before today's sermon: What was my understanding of „worship“? Did I connect worship with activities or with my heart attitude?
- Would I say that „Worship“ is currently a regular part of my prayer life? Is is appropriately balanced with other types of prayer? Why or why not?
- Would I say that „my worship today encourages me to worship more tomorrow“? Or is my lack of worship today building even less worship for tomorrow? If the secondary: What step can I take to get out of my negative trajectory?
- The sermon today mentioned several aspects of „worshiping God in prayer“ (Asking God to give us a heart to worship, Meditating on „who God is“, Asking God for new revelations of His character, Giving thanks, worshiping and praying together). Which of these does God want me to do more, to grow in my worship?
- What impact could increased worship have on my walk with God? What steps do I want to take today to get there?
