We are considering inviting Justin Long to do a „Prophecy“ seminar with us on the weekend of October 09th—11th. (Probably most day Saturday + Sunday until service)

Please let us know if you can block this weekend for this event (We don't want to organize all this if then only half of the church can attend)

### **Aletheia Internet**

Please feel free to use the Aletheia internet . The only two requests:

- Nothing illegal (that includes „file sharing software“, etc.)
- Please don't share the wifi details with others who don't currently attend Aletheia (Ask people to talk with the leadership first)

## Schedule and Corona Virus

Bavaria is lifting the Corona restrictions again, and the government of this state has announced new regulations. From now, events can be held with up to 50 people, as long as we are able to trace back every person attending (in case one of us tests positive and everybody attending the service needs to be tested or put into self-quarantine)

That means that we are allowed to have longer services again (but still with social distancing and wearing face masks at all times) as well as our small group meeting in person. Also, we have the legal permission to restart Sunday-School.

While we are very thankful about these recent development, we also want to remind everyone that „Corona isn't over“. Please keep following the rules of social distancing here at Aletheia (wash and sanitize your hands after your arrival, keep 1.5m apart from each other, wear face masks at all times, etc)

## Church Anniversary, July 12th

Lunch before the service + a different kind of service. Invite your friends.

## Tell us your story

We're opening up our Sunday Services for personal stories (Testimonies, Prayer Requests, Stories about our lives,...) Please let Bernd know if there is anything you would like to share with the rest of us.

## Healing: Consequences of the fall

*Genesis 1:26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creeps upon the earth.*

Below are some questions that can help us all go deeper with God during our quiet time this week

- Before today's message: How did I see the consequences of my sin? Did I see it as something small? Or did I really see the great consequences sin has to our lives?
- If a non-religious person looks at my life: Would that person see the image of God in me? Or would that person see something else?
- What relationships in my life need healing? With God? With other people?
- The sermon mentioned several areas that are effected by our sin. Which part of my life is currently broken and needs healing the most?
