Schedule and Corona Virus

If you are following the news, you will probably have heard that the Corona numbers are rising quickly all over Germany again. Some rules have tightened again, and there is even a real possibility of another form of lockdown any week.

We are thankful that we still have permission to meet as a church, but are also reminded that wordly speaking, everything is still very fragile.

We want to remind everyone to keep the rules of social distancing here at Aletheia (and in all our lives). Please wash and sanitize your hands when you arrive, wear a face mask, avoid physical touches and try to keep at least 1.5m apart from each other at all times.

Thank you for protecting yourself and each other here at Aletheia.

God's discipline

Matthew 5:4 Blessed are they that mourn: for they shall be comforted.

Below are some questions that can help us all go deeper with God during our quiet time this week

- How do I generally see God's discipline? Do I try to avoid it? Hate it? Or see it as a good thing?
- Where is my focus when God convicts me of my sin? Am I focusing on the unpleasant feeling of the moment? Or do I focus on the eternal fruit of God's discipline? Why?
- Have I ever connected God's discipline with God's love? Why or why not?
- How has the discipline of my earthly parents shaped my view of God's discipline? Do I believe lies about „the nature of discipline“ because of the experience with my parents in my childhood?
- In what area does God want me to repent so that He will heal me?
