Schedule and Corona Virus

We are thankful that we still have permission to meet as a church, even though Germany is going through another lockdown right now.

We want to remind everyone to keep the rules of social distancing here at Aletheia (and in all our lives). Please wash and sanitize your hands when you arrive, wear a face mask, avoid physical touches and try to keep at least 1.5m distance from each other at all times.

Also, we are required to wear FFP2 masks at our services as well. Community masks are no longer sufficient!

At the same time, we fully understand if you prefer not coming to Aletheia in person right now. You can listen to the live stream of the sermon every Sunday instead.

Thank you for protecting yourself and each other here at Aletheia.

Inner Healing Course

We'll offer an Inner Healing Course very soon. We'll give you more information next week.

Explorer Group starting in the fall

We're planning to start an Explorer Group in the fall. Details to come very soon.

Changing perspective

Romans 8:38-39 For I am persuaded, that neither death, nor life, nor angels, nor principalities, nor powers, nor things present, nor things to come, Nor height, nor depth, nor any other creature, shall be able to separate us from the love of God, which is in Christ Jesus our Lord.

Below are some questions that can help us all go deeper with God during our quiet time this week

- How does the whole situation of the lockdown currently affect me? How does it affect my emotions? How does it affect my spiritual life? How does it affect other aspects of my life?
- Would I say that my Faith is influencing the way I see the current Corona situation? Or do the circumstances affect my Faith and the way I see and relate to God?
- Are there areas in my life where I feel limited, defeated or stuck because of the current circumstances? How has this attitude affected the way I live out my Faith?
- If I have been affected in a negative way by the current situation: What spiritual Truth(s) could help me get back on the right track?
