Mid-Week Messages

For the next few weeks, we'll use the mid-week messages to share with one another what God has been speaking to us about „our personal calling at Aletheia“. Please let Bernd know if you would like to share what God has been speaking to you.

Schedule and Corona Virus

Many corona regulations are being lifted from tomorrow, June 07th. For example, ten people will be allowed to meet again. As long as the number of infections stays under 50, no tests are needed to be allowed to gather.

That means that we are allowed to have small group in person again. The discussion on „Women in leadership“ is also possible again. We can also have Social gatherings again, like sharing a meal together.

We will let you know in the next few days how this will affect our activities in the coming weeks. If you have any ideas or suggestions, please let us know.

Guys Hiking Trip

Mark your calendar: Saturday, July 03rd, whole day. Details to come.

Please inform Martin if you would like to join this trip.

Explorer Group starting in the fall

The Comforter

John 14:16 And I will pray the Father, and he shall give you another Comforter, that he may abide with you forever;

Below are some questions that can help us all go deeper with God during our quiet time this week

- When I look at the activities of the Holy spirit that were covered in today's message: Which of these do I need the most right now?
- What role does the Holy Spirit play in „receiving God's Truth“ in my daily life? Do I rely on my own studies? Do I rely on other people? Or do I truly rely on the Holy Spirit to reveal Truth to me?
- Who or what do I run to when I need comfort? People? Food? Entertainment? Or the Holy Spirit?
- Are there doubts or questions in my life concerning my salvation? How am I trying to deal with these doubts? What role does the Spirit play in seeking this assurance?
