Schedule and Corona Virus

Many corona regulations have been lifted in recent weeks. For example, ten people are allowed to meet again. As long as Munich's incidence number stays under 50, no tests are needed to be allowed to gather.

While we are very thankful for God's provisions and protection during the lockdown, we also want to remind everyone that Corona isn't over. Please keep the guidelines described in Aletheia's hygiene concept and the general laws and recommendations by the government to protect ourselves and each other.

The Spirit reveals

2 Corinthians 5:7 (For we walk by faith, not by sight:)

Below are some questions that can help us all go deeper with God during our quiet time this week

- Today's sermon covered several different areas in which the Spirit reveals Spiritual Truths (Evidence of God's presence, Guidance and Direction, God-like atmosphere, Assurance, Teaching and illumining, Revelation to Prophets and Apostles): In which of these areas do I need the revelation of the Spirit the most?
- If I asked my friends whether they think I live by Faith or by sight: What would they say?
- How do the revelations of the Holy Spirit influence my daily decisions? When was the last time I made a decision that was based on Spiritual Truths and made absolutely no sense with my own understanding?
- For which future decision(s) does God want me to change perspective? Where does He want me to see the Spiritual reality instead of solely relying on what I can see with my physical eyes?
