Schedule and Corona Virus

Many corona regulations have been lifted in recent weeks. For example, ten people are allowed to meet again. As long as Munich's incidence number stays under 50, no tests are needed to be allowed to gather.

While we are very thankful for God's provisions and protection during the lockdown, we also want to remind everyone that Corona isn't over. Please keep the guidelines described in Aletheia's hygiene concept and the general laws and recommendations by the government to protect ourselves and each other.

Guys Hiking Trip

The Spirit empowers

Romans 8:11 But if the Spirit of him that raised up Jesus from the dead dwells in you, he that raised up Christ from the dead shall also bring to life your mortal bodies by his Spirit that dwells in you.

Below are some questions that can help us all go deeper with God during our quiet time this week

- How do I see my physical life? Am I living in the reality that my life is completely dependent on God's Spirit? Does it affect my pride or self-reliance in any way?
- What kind of service for the Glory of God has the Spirit enabled me to do before? What did that affect my Faith?
- When I share the gospel with others: Do I rely on my own strength and wisdom? Or am I relying on God's power?
- What role do supernatural activities play in my walk with Christ? What role does the supernatural play in the way I evangelize? Does God want me to lean more on the supernatural?
- What kind of service is God calling me to do for His Glory? Am I responding to His calling? How?
