Schedule and Corona Virus

Many corona regulations have been lifted in recent weeks. For example, ten people are allowed to meet again. As long as Munich's incidence number stays under 50, no tests are needed to be allowed to gather.

While we are very thankful for God's provisions and protection during the lockdown, we also want to remind everyone that Corona isn't over. Please keep the guidelines described in Aletheia's hygiene concept and the general laws and recommendations by the government to protect ourselves and each other.

Setting up the Aletheia place

Jesus, the Word

John 1:1-2 In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God.

Below are some questions that can help us all go deeper with God during our quiet time this week

- Before today's message: How have I seen the four gospels? Four times the same story? Or have I been aware of the differences? How can I read each gospel more effectively?
- John chapter 1 gives many reasons why Jesus is the Son of God. Which of these aspects was new to me? Which aspect was a good reminder for me?
- What is my view of the Old Testament? Do I see the connection between the Old Testament and Jesus? How? In what aspects do I see a disconnect between Jesus and the Old Testament? What wrong believe or misunderstanding causes this disconnect in my heart or mind?
