Schedule and Corona Virus

Many corona regulations have been lifted in recent months. Since we are a small church, we can currently meet freely within our congregation.

While we are very thankful for God's provisions and protection during the lockdown, we also want to remind everyone that Corona isn't over. Please keep the guidelines described in Aletheia's hygiene concept and the general laws and recommendations by the government to protect ourselves and each other.

Gifts of the Spirit Workshop

We will be running a workshop on the Gifts of the Spirit (incl. receiving these gifts) on Oct. 23rd and 24th. Our guest speaker will be Philipp Schmerold.

Please keep the weekend free. Also you can start inviting your friends (Christians for the whole weekend, non-Christians for Saturday night)

Jesus and the Woman at the Well

John 4:14 But whosoever drinks of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life.

Below are some questions that can help us all go deeper with God during our quiet time this week

- What aspect of my life am I trying to hide, like the woman at the well was trying to hide her whole life?
- Do I need God to speak self worth and value into my life? What voices have taken away this worth and value? How can those voices be silenced?
- What needs am I currently trying to meet in my own strength? How can I allow Jesus to meet those needs instead?
- Do I need a transformation like the woman experienced? How have I pursued such a transformation in my life so far? Has it been working? How can I change my pursuit of such a transformation?
