Schedule and Corona Virus

Many corona regulations have been lifted in recent months. Since we are a small church, we can currently meet freely within our congregation.

While we are very thankful for God's provisions and protection during the lockdown, we also want to remind everyone that Corona isn't over. Please keep the guidelines described in Aletheia's hygiene concept and the general laws and recommendations by the government to protect ourselves and each other.

We'll soon have a discussion on the next steps for our Christmas Outreach events

Living by Faith

Matthew 17:20 ... for verily I say unto you, If you have faith as a grain of mustard seed, you shall say unto this mountain, Remove from here to yonder place; and it shall remove; and nothing shall be impossible unto you.

Below are some questions that can help us all go deeper with God during our quiet time this week

- What has been my view on „different kinds of Faith“? Have I been aware of them? Have I been mixing them up? How has this affected me and my Faith?
- How would I describe my current walk with God? Am I truly walking in God's promises? Or can I detect a lot of unbelief in my life?
- If I compare myself to some of the people of great Faith in the Bible: In which area(s) did they have greater Faith than me? Which actions show my unbelief? What can I learn from them?
- Which one or two areas of my Faith does God want me to grow in this season of my life?
