## *Schedule and Corona Virus*

Many corona regulations have been lifted in recent months. Since we are a small church, we can currently meet freely within our congregation.

While we are very thankful for God's provisions and protection during the lockdown, we also want to remind everyone that Corona isn't over. Please keep the guidelines described in Aletheia's hygiene concept and the general laws and recommendations by the government to protect ourselves and each other.

## *Faith in Who God is*

2 Timothy 3:16 All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness:

Below are some questions that can help us all go deeper with God during our quiet time this week

- If I was asked to describe God, His character and power, in one or two sentences: What would I say? What scriptures are the foundation for my beliefs?
- What is my view of the Bible? Are there aspects of the Bible that I struggle believing? Are there things I believe are outdated or not applicable to our lives today?
- Are there aspects of God that I do not believe? Are there aspects of God that I think were true about God in the past, but not any longer?
- Do I sometimes have doubts about my salvation? What promises from God can I stand on to receive back this assurance?
- What aspect(s) of God's character do I struggle believing? Do I know where my unbelief is coming from?
