Schedule and Corona Virus

While we are very thankful for God's provisions and protection during the lockdown, we also want to remind everyone that the Corona situation has recently worsened again. Please keep the guidelines described in Aletheia's hygiene concept and the general laws and recommendations by the government to protect ourselves and each other.

God's Promises

Hebrews 10:23 Let us hold fast the profession of our faith without wavering; (for he is faithful that promised;)

Below are some questions that can help us all go deeper with God during our quiet time this week

- What promises of God have I personally experienced? How does this experience affect my Faith in God?
- What promises did I stand on in the past, and it looked as if God didn't keep His promises? How that affect my Faith?
- Have I ever „just prayed“ without considering the condition that God gave in His Word? How did that turn out?
- On which promise(s) from God do I want to change my approach and work on „meeting the condition first“?
- What promise does God want me to pray for, before He will fulfill it?
