## *Schedule and Corona Virus*

*While we are very thankful for God's provisions and protection during the lockdown, we also want to remind everyone that the Corona situation has recently worsened again. Please keep the guidelines described in Aletheia's hygiene concept and the general laws and recommendations by the government to protect ourselves and each other.*

## *Aletheia Giving*

*For the last two years we have been supporting „Kick It“ financially. We did plan on also helping out practically, but due to Corona that hasn't really happened yet.*

*Our promised commitment to Kick It ends in April this year. We would like everyone to start thinking and praying about whether we want to continue supporting Kick It another year, or whether there is another organization we want to support instead.*

## *Come to Me!*

*Matthew 11:28 Come unto me, all you that labor and are heavy laden, and I will give you rest.*

Below are some questions that can help us all go deeper with God during our quiet time this week

- How do I deal with worldly troubles? Do I generally try to deal with them in my own strength? Or do I truly deal with them in God's power?
- What role do God's peace and rest play in my life? Is this something I experience regularly? If not: Why not?
- If I realize that I am relying on myself in an area of my life: Can I identify an underlying unbelief that causes me to rely on myself?
- How do I deal with other people's sin? Do I tend to feel responsible for a change in their behavior? Or do I rely on God to convict the other person?
- In what area of my life do I want to rely more on God in the new year?
