Prayer: The Basics

John 14:13-14 And whatsoever you shall ask in my name, that will I do, that the Father may be glorified in the Son. If you shall ask anything in my name, I will do it.

- Before today's sermon: How would I have defined prayer? What would I have said was the purpose of prayer?
- Would I say that my current prayers are „powerful and effective“? Is my prayer life fulfilling? Or would I say that „something is missing“ in my current prayer life? Can I see a reason from today's sermon why my prayer life is not everything it could be?
- How have I been praying in this season of my life? Have I been trying to align myself with God? Or have I tried to get God to do my will?
- What can I learn from the way David and Jesus prayed? How is it different from the way I often pray?
- What am I currently praying for, even though I've never asked whether it's actually God's will?
- How does God want me to change the way I pray?
- How does God want me to pray for the person whose name I've drawn today?
